In her response to the defendants' motion for summary judgment, plaintiff asks the court to strike a number of exhibits attached to defendants' motion, asserting they are unauthenticated and unsupported by competent, admissible evidence. In their reply, defendants attach an affidavit authenticating all of the disputed exhibits, with the exception of one, which appears to have originated with plaintiff. Accordingly, plaintiff's request to strike exhibits attached to defendant's motion for summary judgment is denied.

**IT IS SO ORDERED.**
